

Workflow for Silpakorn Authors

Silpakorn authors can send their manuscripts by clicking on **SUBMIT NOW** on <https://www.enago.com/silpakorn/>

Team Enago on receiving the manuscript will send the quote to “SURIC Office” with Cc to author.

This quote will include two parts:

1. Quotation-A without references & tables. (University-Funded)
2. Quotation-B with references & tables. (the difference is author’s responsibility)

The “SURIC Office” will reply
APPROVED or NOT APPROVED

If APPROVED, we will start the work as per Quotation A

If author wants us to work as per Quotation B, then they have to make the difference (B-A) payment

The Invoice will be sent to SURIC Office by the end of the month.

If NOT APPROVED, we will ask author to make online payment to start the work.

If author made the payment, we will start the work and will deliver the final files.

If author is not willing to make the payment, we will not work on the same.
